

My Pre War Autobiography

My name is Elsie I live with my mum and Dad and my 3 Brothers and 4 sisters. My Brothers are called Eason, Riey and Bob. My sisters are called Aimee, Aiesha, Lilly and Pepper. And I also have a pupple called Milo.

I go to Wensun Junior School. My Best friend is called Issy-w. My Teacher is called Mr. Will he is really kind to me. The class room is very old. We normally eat jam on bread for lunch.

I work in a chocolate factory. It's verry stressing and hard. But I gess it is better than a work house. It's verry messy. But I gess it smells good.

A memorable moment I wont forget was the flood of Heigham. The flood destroyed the town stairs of my house all of my stuff were washed away. My family was so upset. The water was so high a man was able to swim down the road.
