Monday 4 July 1917

Dear Diary,

What a terrible day I had today!
 In the morning, I arrived at the ~~workhouse~~
 Workhouse with my Mum, dad, and brother kids.
 All 4 of us had to give the really strict
 Warden a special piece of paper from a man
 in the village and it said 'let us' in because
 we are poor and we have no money! Once
 we were in Mr. Strictly told us what to do.
 Mr. Strictly was so bossy and strict. The reason we had
 to go was because we spent our last penny
 on clothes! When we got in, the Warden had to check
 us but because we were really dirty we had to have
 a cold bath in a metal, dusty and hard bath
~~with~~ with mud in it. I really did not feel
 comfortable in the bath and I felt extremely
 scared!

In the ~~the~~ Afternoon, we left the horrible
 Workhouse and went to church but ~~unfortunately~~
 unfortunately Mr. Grim told me and my brother
 kids shut up because we were talking to each
 other. After church I did the washing and
 I used a scrubbing board and carbolic soap.
 I felt so tired after washing everything. After I

I felt like I needed a nap and I felt like I couldn't walk!

Before I got into ~~bed~~ bed I was super
 glad because I got my favourite snack
 which is jam on bread. After I had my
 favourite snack I climbed into bed and fell
 asleep! I was exhausted after the day had been
 because I was a long day.
