

My life as a woman in WW1. By Kyle Toher

My name is Topsy -I am married and my husband is at war. I simply had a letter from him 1 month ago so he is still alive. I have 2 children (Tim and Dan) and while I go to work, my mother looks after the children.

I work as a teacher and I love teaching all the children in my class. Also, I am very good at my job and I get the children to write letters to their dads who are the war.

Sometimes, the children get the cane but most of the time they behave. I got given the job because it was my dream job as a child. I have to get up at 5.00 am because it takes me half an hour to get to the school. I have a friend as a teaching assistant but I am the real teacher. I work for 7 hours a day.
