

My trip to Gressenhall and dreamy hollow by Oliver Lyon-Wooltorten

On Tuesday 20th June 2017, our year group went to visit and we had to do a drill. We had to keep repeating what he said and we learnt about Christopher Columbus. In the school room children had to write with your right hand or if you write with your left hand you will get a smack so watch out.

After Gressenhall we then got onto the coach and arrived at Dreamy Hollow. We learnt about what it was like in the trenches. It was muddy, slippery and deep. The trenches went round so the enemy got confursed.
