

## Home/School

I was in 8 May, 1903. I lived with my mum named Lily and dad named Tom, my 3 Sisters and two brothers lived on Livingstone Road, upstairs and downstairs is a kitchen and living room. and the toilets are outside. I had two Share my bed with my 3 Sisters and 2 brothers.

I went to Nelson Street School and the boy's was separated from the girls, and if the boy's and girls were naughty, they would get a smack with a ruler or by a stick on the hand one on the back of the legs. There were separate entrances for the boys and girls and in the classroom there would be one side for the boy's and one side for the girls. The ceiling was very high because if someone sneezed they had to sneeze up words so no germs went to other people.
